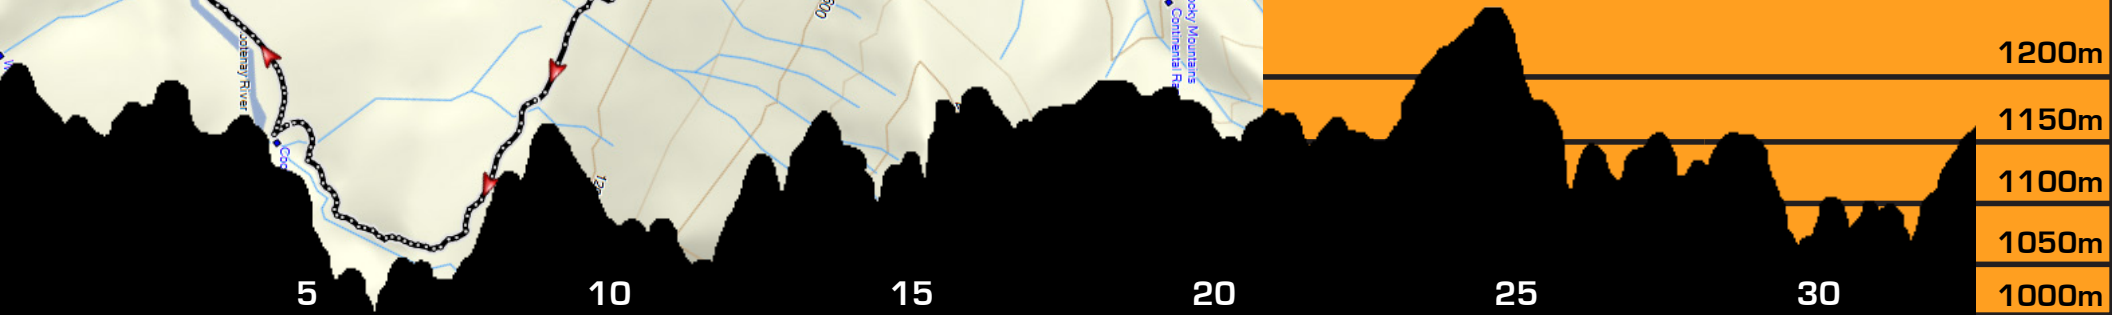
EST. 2014 SINGLETRACK 6 NIPIKA MOUNTAIN RESORT

After a relaxing night in Canmore, with coffee in hand, we'll transfer to Nipika for a day on the trails. Enjoy the drive through the majestic Rocky Mountains and Banff National Park, via the Trans Cananda Highway, and south through Kootenay National Park into British Columbia.

This stage will feature a unique time trial format that will see riders start in groups of ten, seeded by the previous days finishing times. Be sure to soak in all that Nipika has to offer: singletrack through pristine forest, bluff hugging trail high above the Kootenay River and never ending views. This stage offers up an old school mountain bike experience on challenging rocky and rooty trail with short, punchy climbs. Finish where you started, at the resort, and hang out and enjoy a day in the Kootenay Mountains.


All routes are subject to change at any time to allow for permit approval, quality control and safety of the riders.
