## SANTA CRUZ

Beginning at 9am, we'll send you off for a 47km ride on trails built and maintained by local riders and members of the Columbia Valley Cycling Society. This day will blow your mountain biking mind by starting off with a climb to the edge of Horsethief Canyon followed by a descent along the rim. You'll drop to the bottom of the Columbia Valley before climbing back up to the Kloosifier and Johnson trail systems where you'll be greeted by flowy trail and punchy climbs leading to expansive Columbia Valley views.

All routes are subject to change at any time to allow for permit approval, quality control and safety of the riders.
